LEGACY

MUMBAI MEAT COMPANY (MMC) is born and enriched by the rich legacy of Allana, that has always been a hallmark of quality & trust, globally.

MUMBAI MEAT COMPANY endeavors to serve the finest quality premium meat in the Indian market.

Our brand -  offers a wide variety cuts in Buff Meat, specially designed to suit the palate and preferences of the Indian consumers.

Quality Assurance

Frozen & Fresh

We choose the right livestock from disease free zones created by the government around the plants.

Proper tagging of livestock for traceability

DETAILED ante mortem examinations & complete post mortem for wholesomeness before being chilled

pH value is lowered to below 6 to achieve fresh tenderness in the meat

Plate freezing or blast freezing to bring down the core temperature to less than minus 18 degree Celsius

Panel of highly qualified and experienced professionals to adhere to strict quality regimen

Skilled butchers who scientifically separate different cuts

Huge cold store capacity to store more than 50000 MTs of frozen product at strategic locations across India

Specially designed temperature controlled trucks, to carry the meat at 0-4°C, maintaining the freshness and hygiene quality
